# **Knowing Tissa Godavitarne From Acme People Search Program**

Although it is a hot topic that how to earn money online using internet, it is not as easy/ simple as most of us believe. Best way that i may suggest is to look for a niche (you will need to have an interest in it and will need to have knowledge). It leads us to search fastest way to make online money, especially during recession when plenty of people are losing jobs. It may seem interesting that there are an easy, free to signup program which was built considering today's niche i.e. People Search. If statistics are to be believed, 1/3rd of searches done on the internet connected with people trying to find details of others/ searching for public records i.e. People Finder.

Some people believe that Tissa Godavitarne has gone crazy. The truth is that Tissa Godavitarne along with Acme people search currently have celebrated their 2nd anniversary and from now on giving lifetime membership. He's made announcement during the Webinar, that upgrading to lifetime subscription is now possible by paying the same amount of annual membership. It's simply an unbelievable package.

We're talking about pay-per-click advertising or any other seo, it's a big challenge faced by many affiliates to drive high quality visitors to the Website. As learning curve is steep and overwhelmed with obstacles, often people throw their hands in frustration and choose to quit. There is certainly an alternative. In June 2010, Tissa Godavitarne plans to begin offline ad co-op for a lot of eligible ACME People Search business owners. It will possibly comprise of targeted television/ radio/ print campaigns etc. in select markets. Advertisements that will be produced professionally would be forwarding prospects to your APS referral link and GVO auto responder with phone amount/quantity.

Offline advertising/ marketing frontier of internet marketing is pay-per-call marketing (PPCall), a unique phone quantity is assigned for you that would be ringing 24 hours a day for all seven days of a week at properly functional call center. In case someone makes a call on your phone number and meets pre-determined requirement, commission is earned by you. Tissa Godavitarne aside from rotating phone number range on national TV/ radio, print advertisements also allows promotion of your phone amount locally (e.g. classified advertisements). Access is also provided to professionally printed cards/ fliers which could distribute locally. Big segment of people preferring to discussion with someone about the purchase they plan can be monetized.

APS referral link plus our GVO auto responder would also be rotating because of TV/ radio and print advertisements. Visit to conversion-tested Web site also rotate through APS referral links (it is for the prospects joining right away) and GVO auto responders (it is for prospects that are looking for "additional information"). In case prospect call your distinct phone range, As referral along with PPCall commission is paid.
