Cut Through The Business Opportunities To Get The Big Ticket To Wealth!

The name Gerald Van Yerxa must sound familiar to you, if you have been a part of the MLM industry. Gerald was a major player in the MLM segment and even owned a couple of radio stations. Just in case you are wondering where all this is leading to, Gerald is the founder of the booming new online business opportunity - Big Ticket To Wealth.

Why you can believe in it Big Ticket To Wealth is founded by a man who has 30 years of online marketing experience behind him. That's a solid foundation to build on! Unlike so many online opportunities, which offer only a measly percentage of the sales, Big Ticket To Wealth promises 100% bonuses. His program is the only one of its kind to provide complete resale rights to a lot of the training materials.

Why you should go for it Ever heard of a program that would give away 100% of its sales proceeds to its marketers? None that comes to mind! But Big Ticket To Wealth not only promises this but delivers this as well. If you make a sponsorship towards a sale of 900 dollars, you get 900 dollars in your bank account. How cool is that? If you have been tired of the passups happening in the MLM and affiliate industry (I know I have), it's time to move on to bigger things like Big Ticket To Wealth. Why let someone else get a share of the sale you worked so hard to earn? You certainly deserve the money and Big Ticket To Wealth ensures you get all of it.

The program also gives you the chance to earn right after signing up! You probably heard the line "Sell a certain value first before you get commissions" in other existing programs. This is unfair, as you don't get to make sales instantly. However, in the Big Ticket to Wealth program, your investment is guaranteed your money back on the first sale that you make. If you invest in a US\$797 in a National package, you are guaranteed US\$300 instantly on your first sale. Investing in an Executive Package that costs US\$1997 guarantees you US\$500 back while the US\$1997 Presidential Package makes sure you earn US\$900 back from your investment.

Get paid for all packages Most affiliate and MLM programs will always say that you need to prove your worth first before getting any commission. However, with Big Ticket To Wealth it is always a win-win situation as far as payments are concerned. They have three compensation plans and no matter which one you sign up for, you get a guaranteed amount back. The National Package of the Big Ticket To Wealth program costs 797 dollars but you instantly get 300 dollars back! The Executive Package costs 1197 dollars but you get a cool 500 dollars back into your bank account. The Presidential Package costs 1997 dollars and you get 900 dollars immediately.

One of the best things about Big Ticket To Wealth is that it doesn't leave your success to chance. It provides you with all the material and high tech flash video files you need to divert targeted traffic to your site and make sales happen. Once a sale happens you get a 100% bonus.
