Those of you who are out of work and cannot find anything in a decreasing local job market can easily benefit from one the 10 best home based business ideas! Within a couple of weeks, you could be looking at working the home based job that you have always wanted!

### Medical Billing

Medical billing is a very common job position for stay at home moms looking for something to do while the kids are in school. You will receive all of your work through emails and correspond with an individual that is assigned to work with you. All payments will be made online and you can work whenever you want to!

### Web Consulting

The internet is a tricky and fickle outlet at times and if you are not familiar with how to make money from the web, a web consultant can help. As one of the 10 best home based business tactics, web consulting does bring in a variety of advantages. If you know the ins and outs of the web and how to make money through sites and blogs, you can become a personal consultant. This also works for a variety of other niches such as food and money.

### Photography and In-Home Studio

Opening up your own studio within your home is not hard at all if you have the space. Those of you, who took photography classes in colleges or have a real eye for it, should look into weddings, charities and other special events. This will surely help you to make a name for yourself.

### Masseuse

There are massage therapy schools located all across the country that will take anyone who wants to learn how to be a personal masseuse. Courses are usually a few months long and from there you can branch out on your own and create a name for yourself through this outlet. Not only is this a great way to make money, it is also a great way to meet o people!

### Accounting

Many people have a hard time managing and keeping track of all of their money, bills and savings accounts. If you have the right amount of time and knowledge this is a very lucrative service to start. You can start making about \$15 to \$20 simply by sitting down and working out budgets and keeping track of all numbers.

### Stock Market Advisor/Trader

As we are slowly starting to see the stock market rise, people are starting to call up their stock brokers again. If you feel that you would do well with trading and giving trading advice, this may be a very lucrative niche for you. People are thirsty to learn ways to make easy money and you can help them with stock trading.

### Internet Bookkeeping

Bookkeepers will never go out of style as long as there are companies that bring in cash. If you have some extra time on your hands, take a client or two that needs help keeping up with all of the financial records. You can think of your own rates and start earning cash from each client that you work with each week.

### Family Shopper

Many families are always busy with work, school, and sports and other after school activities. This makes sit very hard to get to the store and do a number or things outside of the home in town. You can easily become a personal shopper and help to get all of the shopping done for your clients.

### Web Design

There are companies and individuals who are looking to expand with a website and you can be the designer behind that site. If you have a degree in web design it is not hard to take your services to the World Wide Web. Put up an ad or look for jobs that have been posted online. The internet will allow you to connect to thousands of people all looking for work to get done!

### Interior Designer

Believe it or not, it is not going to be very complicated to start up your own personal interior design service. Many people who move into new homes might not know where to start when it comes to decorating. You can walk them through the process and help them choose colors, furniture and even curtains!

These 10 best home based business tactics will allow you to pick up the slack a little bit and earn a decent living. Try to look for people who are in need of help with the right budget in mind. Try to come up with reasonable rates that people can easily work with and afford.
