# **Adsense Ads And Affiliate Marketing**

If you want to monetize your websites, a good way to do it is with AdSense ads. Many webmasters are struggling to earn some money with their sites while others are enjoying hundreds of dollars a day from AdSense ads on their websites.

Grab the opportunity to start earning some real cash because AdSense is really making a huge impact on the affiliate marketing industry. If you feel you are currently losing rather than winning in your affiliate program, you should consider going into AdSense marketing.

It is very simple to get started because Google provides well written, highly relevant ads that closely match the content on your pages for you. Search engines will find the best ads in which to put your pages on. All you have to do is concentrate on providing good and quality content.

Google allows you to add AdSense ads to your site in addition your affiliate links. Owners of small sites are allowed to plug a code into their sites and have relevant text ads instantly. Even if you own many sites, you only need to apply once.

You want to catch the visitor's eye, so try to build simple and uncluttered pages. Try something different and see how it works. You have the option of choosing to have your ads displayed only on a certain site or sites. It is also allowed to have them displayed on a large network of sites.

One way to save yourself some time is to look at web pages that have similar material to the content you are planning to create. This will help you decide what content to have before you format your AdSense ads.

Remember, you cannot choose certain topics only. When you do this, search engines will not place AdSense ads on your site. You could miss out on the opportunity to make hundreds and even thousands of dollars.

It is a win win situation for content site owners and webmasters or publishers. Start earning some extra cash. The only way to know how much you can earn with AdSense ads is to try it. All you have to do is remove the code from your site if you no longer want to participate.
