# **The Apple Ipad Claim Yours Now**

Ok so it looks like a very big Ipad Touch, it does just the same as an ipod touch. But the new Apple Ipad has so much more going for it that we couldn't put it down.

People seem to be falling over themselves to get the new apple Ipad, more so that stock levels around the world are still very low as demand is reaching that of the iPhone 4.

We have looked at the Ipad and also compared some websites who are offering them for free.

Unless you have the 3G Ipad there really is nothing more than the ipod to do. But its big and better and so much faster than the ipods.

For watching movies it has to be the best option as the screen resolution beats most laptops and much more comfortable to have sat on your knee for a few hours.

With apps coming out every day for apple gadget there is always going to be something to keep you happy. If games are your thing then you will find them to be much more fun to play than using an ipod or the iPhone.

So now you are drooling over this gadget, just how do you get yours for free? The two best websites we found which offer them free are coming next.

First off is Freebiejeebies.co, this website has a nice clean design and explains in good detail the requirements which you need to fill to claim your free gift.

Next is the best site in the UK for a free iPhone or Ipad. Myfreeiphone.co.uk has been established since 2007 and in that time have helped thousands of consumers claim a free iPhone.

Both Sites are your port of call if you would to claim a free gift. Simply visit either of the sites and follow the simple steps required which will lead to you getting your free gift.

We used Freebiejeebies.co and within 5 weeks we had a delivery of a 16GB Ipad and must say we are very pleased and fighting who is going to own it.

It is very easy to be sceptical of these websites and to be honest we were too. You just need to follow the instructions and have faith, you will see it really is true and you do get your free gifts.

Go and see just how you too can claim your very own [free Ipad](#). Following the simple steps you will soon be playing with your very own [Free apple Ipad](#).
