It is fun to wear several chains at once. You can mix and match in length, style and weight to make the look truly your own. You can add other silver accessories, such as earrings, rings and pins. It looks great and the price makes it even more attractive.

Maybe you are looking for something really special for that special occasion, try adding a gemstone pendant to your necklace. Choose your birthstone or something with a splash of color, such as blue topaz, sapphire or amethyst. Pendants will make the look more elegant and maybe even formal if formal is what you need.

Think of the fun you can have giving gifts of silver. Watch the print ads for sales, and you can stock up for birthdays and holidays. Your loved ones will appreciate the beauty and thoughtfulness of your gift. Each time they wear the silver necklace or bracelet, it will remind them of you. Silver is a gift to yourself and others that will be treasured for years.
