Top Designer iPhone 4 Cases in Women's Fashion Trends

Top Designer iPhone Cases in Women's Fashion Trends - Women can stay true to their fashion style and their favorite fashion designers, and still carry and protect their iPhone, when they buy one of these fashion-forward designer iPhone cases carrying designer names. Each of these designer brand iPhone cases has been evaluated on all of the features that women look for in an iPhone case, including style, roominess, material, closure and versatility. The iPhone cases have also been evaluated using the same factors that women use when buying any designer handbag, including brand name, style and price. For your fashion convenience, each iPhone case description also includes details about color combinations and the ultimate women's fashion test: the girl appeal factor.

Top Designer Phone Cases: Chloe Dao

Chloe Dao, of Project Runway fame, has designed an affordable line of designer iPhone cases for the Pacific Design label.

Chloe Dao iPhone Flip Case Fashion Designer: Chloe Dao Style: Flip top Price: \$29.95 Girl Appeal: High Roominess: There is only room for the iPhone. Carrying Options: A wrist strap Closure:: Magnetic Colors: The Chloe Dao iPhone Flip Case is available in three unique designs: Stilleto Hounds Tooth, Blue/Green Stripe, and the very girl-friendly Retro with black, white, yellow and pink. Material: Soft polyurethane Versatility: The Chloe Dao iPhone Flip Case can be used in two ways. Access the phone by flipping open the cover, or removed the cover, while still keeping the phone protected with the other portion of the case.
