How To Fabricate Two Kinds Of Custom Imprinted Organic Paperweight

One of the most favorable promotional desktop or office accessories is a paperweight. This freebie is more probably taken for granted because it is capitalized to serve its sole purpose. Though, it is not just your normal promotional desktop or office accessory. More than that, this product can actually be a nice gift to a loved one, to a friend or to a family member and unmatched promotional material that can weigh heavily on your potential shoppers during trade events.

There are distinct groups of customized paperweights that you can choose from various providers. But if you want to make it more special and straight from the heart, you can design your very own custom personalized desktop or office accessory like a paperweight. Here are the simple steps that you can follow with no sweat at all.

Paperweight Made Of Rock

Materials Needed:

Medium Sized Stone Paint Paintbrush Glue Shellac

Step One. Find hand-sized round stone in the shorelines or wooden locations. Choose the stones that have the optimum color and possess smooth texture.

Step Two. Wash rocks with soap and water to ward off the dirt. This is important because you cannot design the stone with dirt on it.

Step Three. Once you have your rocks utterly clean, spray shellac to take to give off shine and brightness.

Step Four. Paint the rock. This will surely unravel the hidden artist in you. There are many ways to design an organic paperweight. You can employ colored papers or far-out fabric to decorate your rock. Either way, it will doubtlessly be appreciated by your beneficiary.

Paperweight Made of Shell

Materials Needed:

Sea Shell (considerable with smooth and even surface) Glittered Glue Paint Paintbrush

Step One. get a sea shell that is massive and heavy adequate. If it is not as heavy as you desired, you can put stuffing in it and lock it spending glue.

Step Two. Paint your design over the sea shell. Nonetheless, this step is only applicable to those sea shells that have a smooth and even surface.

Step Three. Lastly, adopt glitter glue to write something on it. Set it aside to dry the glitter glue.

These are two different customized desktop and office accessories that you can invent your own. Go ahead and draft one and present it as a gift. This will absolutely be appreciated by your beneficiary.
