# **Initiate The Party With Special Cocktails For St. Patrick's Day**

St. Patrick's Day is not just green day, it also mean one big and explosive party. This greatly incomparable occasion is celebrated during the 17th day of March. This is originally and Irish happening but it is also celebrated in the United States. During this day, everyone is required to don or bring something green.

Speaking of great parties, you can have your very own cocktail party at home. How would that be possible? Well, just take the bar right at the comfort of your home by uniting your own cocktails. Just be equipped with customized drinking glasses, fresh fruits and alcoholic and non-alcoholic mixes and you're St. Patrick home party is all set to explode. For your benefit, here are a few of selected green cocktail recipes that you might want to shoot for.

#### Everybody's Irish

You Need:

2 oz Irish whiskey 1 Tbsp green crme de menthe 1 Tbsp Green Chartreuse Cocktail olive for garnish

All hail the Irish populace for introducing such event to the American. Certainly, this is another reason why every people in the U.S. should party. Take a shot of this highly special cocktail mix by bringing together all the ingredients in a cocktail shaker. Just affix ice cubes and shake it emphatically well. Strain it in your very own promotional drinking glasses preferably a martini glass and top it off with olives.

#### Leprechaun

You Need:

2 oz Irish whiskey Tonic water Lemon twist for garnish

No, it is not the mythical creature that is related to the occasion. This is a green cocktail that is just named after it. Put your green day solemnization in a whimsical and magical nirvana by straining Irish whiskey on a customized drinking glass like highball. Simply add tonic water on top and finish it with a lemon twist. This unmatched Leprechaun cocktail is magical, indeed.

#### Shamrock Shaker

You Need:

1 1/2 oz Kahlua 2 1/2 oz milk 1/2 oz Amaretto Edible green and gold powder for garnish (found at cake-decorating supply stores)

They tell that every rainbows end awaits as pot of gold, just follow the leprechaun and you're good to go. St. Patrick 's Day is the only function where green is perfectly mixed with gold just like how you put together all the ingredients in a cocktail shaker along with some ice cubes. Shake it well and pour on a chilled promotional drinking glass like a traditional cocktail glass. Lastly, learn to sprinkle it with green and gold power to achieve the desires color combination.
