Novobeads Bracelets - Celebrating Women of All Ages

If you've ever yearned to capture a special time in life - engagement, wedding, the birth of a new baby - then the quest for that perfect memento stops here. These unique bead bracelets can be used to commemorate those special moments. With hundreds of beads to choose from, each bracelet can be customized to a wearer's specific interests and reflect their unique personality.

For the younger woman, there are beads which can be used to reflect her friends and family. There are beads which can reflect hobbies, special interests extending from animals to nature to more feminine beads like high heels and ballet slippers. When she gets engaged or married, there are beads to represent those occurrences as well. There are simulated jewel toned stones ranging from pastels to rich vibrant colors that can be used to represent those close to her.

For the married woman, there are beads which mean wedding and engagement, as well as new babies. Beads with baby themes and pastel colored stones are available to honor each child's birth. There are beads which salute the special relationship between mother and child. There are many beads with couple themes to remember relationships and their milestones. A woman may have beads which signify her husband's pursuits as well, and the bead bracelet may well be symbolic of her family's intertwined life.

For the older women, there are beads which celebrate family and its continued growth. New babies can be denoted with baby themed beads or birthstone colored beads. Anniversaries may be represented, and the observance of long term familial relationships. The bead bracelets could in due course be used as an heirloom, with each family giving to the bracelet over the years so that all members may feel like they are part of something greater. These bead bracelets could also be gifted by a long-term spouse with beads representing their life together, using symbols from the couple's past and remembering each milestone.

For every generation, there are beads available to signify those moments that make life so worthwhile. These bracelets make charming mementos for women of all ages, at all stages of her life. From the young woman beginning her life on her own, who wishes to display her unique interests to the married woman who wants to proudly show off gifts from her children which symbolize their lives to the grandmother who wears a bracelet that commemorates a long married life and large extended family, these inimitable bead bracelets are a perfect fit for any woman. With so many attractive beads to choose from, the combinations are endless. These unique pieces of jewelry are perfectly suited to honor a woman as unique as the special bead bracelet on her wrist.
