Hugo Boss Glasses

The Hugo Boss company was founded by Hugo Boss in Germany in the year 1924. Although it originally specialized in high end mens and womenswear, they later expanded their expertise into accessories, fragrances, watches and fashion eyewear.

The company grew to become a world class brand because of their excellent products. Until present, Hugo Boss has at least 6,102 points of sale in 110 countries including the fashion capitals; London, Milan, New York, Paris, Tokyo and Dubai. Some of their more dominant products are the Hugo Boss frames and Hugo Boss sunglasses collections.

Both men and women across all age ranges wear Hugo Boss. Since each pair of Hugo Boss frames go through a strict quality control process, the best is always guaranteed for the wearer. They are made with the finest materials with the most modern manufacturing processes; creating a flawless product made to last a lifetime.

Aside from the fact that Hugo Boss eyewear flatters every face shape, they are made to increase the accuracy of vision protection and correction. With thousands of attractive colours, styles, shapes and designs available, there is something for everyones tastes.

Some of today's biggest celebrities have been seen wearing Hugo Boss glasses, including; Kate Moss, Pippa Middleton, Paul Smith, Brad Pitt and Christina Applegate have worn Hugo Boss eyewear.

Hugo Boss has always been at the forefront of the fashion industry, setting trends and creating unforgettable revolutionary designs in fashion.

More recently, a lot of people have begun to apply special coatings on the lenses of their frames.

While the anti-scratch coat reduces any damage inflicted on your lenses, the anti-glare coat will reduce any distracting reflections on your lenses which will be beneficial - especially whilst driving or outdoors.
